The motion made at a previous meeting was for the club to pay for a book up to \$5. Mrs. Dobson noticed some of the chapter books that the upper el students may want were a little more. She let some students get more expensive books on case by case basis. She can use profits to cover the difference or the club can pay for it. Just for the \$5 or less, the club would pay \$755.68. If the club wants to cover it all it would be \$876.93.
