 - i. Not a lot of teams signed up yet. Can't make decisions until we have a good number. Will meet January 29th at 6 to make a final decision.
6. New Business
 - a. Online Amazon Store
 - i. Mr. Lishinski was contacted about an Amazon school store. People could order apparel from an online seller like MyLocker.net that we've had in the past. The school would get a percentage. Sales are good for a while and then die off. Doing

apparel orders local through U.P. North has worked well for the club. Marcus was thinking of doing a catalog that could be ordered from anytime. The club would like to look more into this.

b. Hudl

- i. Hudl is a video app that would let the basketball teams record, store, and share videos with other teams. Mr. Lishinski asked if the club would pay for it. There wasn't a cost. The club would need more info before making a decision.
