 - b. Apparel Order
 - i. Val went through and counted all orders. Only 3 orders weren't paid for upfront. Sold around 170 items. The profit to be made depends on how much of each item we sold. Discussed whether to have a table at the next night's varsity game or to turn it in tomorrow to be in ASAP to make sure it's all in by Christmas. Discussed what extra things to order to sell at games. Can ask UP North what the threshold is for the items so we can get extras of those to push us towards the max profit.
 - c. \$5 Half Court Shot Contest
 - i. Still looking for sponsors for most of the games. Range Auto Body, Krupp's, and Julie's Motor Inn are so far. Have contacted Tina's, Vitality Chiropractic, Toucan's, South Range BP by dropping off a flier. Emailed

Moyle and Northern Hardwoods. Discussed different businesses to contact such as the Nicholas Agency, Ford, Keweenaw Chevy, Rukkila, Superior Service, Keweenaw Overhead, Matt's Auto Body, Coke, Pepsi, Portage Health, and Joey's.

d. Alumni/Athletic Parent/Business Sponsor Letters

- i. Discussed to not have the different levels of incentives in the first year to get more money before spending.
- ii. Discussed not sending to businesses these letters and to save businesses for more targeted things, such as the Half Court Shot Contest.
- iii. Discussed sending the letters out in the new year after Christmas. This would take away from recognition in the programs but we could have it in there for a year from when donated or do for the rest of this year and next.
