Our primary focus for this school year will be establishing meaningful connections with you and your child while providing strong academics across all grade levels. It is important to acknowledge that the district will not require masking, however we support those that choose to do so. With this decision, it is important that your child not attend school if sick. Students need to remain home until they are symptom free for 24 hours. Updates will be provided as necessary.

We look forward to this school year and will continue to provide the best possible learning environment for your child. Enjoy the rest of your summer and we will see you soon!
