

Adams Township Schools
A.M. Bus Schedule

For the first few weeks of school there are significant changes in bus routes. The schedule is on the following pages.

*In the Stanton and Atlantic Mine area there are designated bus stops. We anticipate being able to return to our previous schedule in the Stanton area by October. (See page 2)

*South Range:

All high school students will need to be at M-26 & Second Street or at the elementary school. Elementary students in South Range may also get on at the M-26 & Second Street stop. There will be no other stops for students in South Range. (See page 3)

If you are unsure of your family's designated pickup please call 482-0599 X1201. Leave a message and your call will be returned.

Continue to check the school website as P.M. Routes will be added.
